Spring 2023 Registration

[Registration](#) for the Spring 2023 Season has opened. Players already on Performance Program Teams will also need to complete this registration as this is the association level registration for the year.

Please visit [Registration Info](#) on the FSA website for more details for each age category.

We are offering an Evaluations Prep Camp for U11 and U13 with Performance Coach Dianna Jordison beginning January 6, 2023 for 5 weeks.

[Registration](#) for this is currently open - the package is listed under the season 2022/23 Winter Training.

Fundraising and Volunteer Efforts

This year we will be introducing a new volunteer program FAVE - Fundraising and Volunteer Efforts. This program is to help prevent volunteer burnout, and to ensure continued success of our organization for all athletes of the association. All families will have a minimum number of volunteer points to fulfill with points awarded for working FSA tournament shifts, casino shifts, coaching and being on the board to name a few of the ways to earn points. More details about FAVE will be coming in the new year but do mark June 9-11, 2023 in your calendar for the FSA tournament! This tournament is FSA's greatest source of revenue and having the volunteers to host a successful event is crucial to keep registration costs down.

Thank you
