Please visit Registration Info on the FSA website for more details for each age category.

Reminder: players already on Performance Program Teams will also need to complete this registration as this is the association level registration for the year.

Spring Travel Teams

Good luck to our Spring Travel Teams headed to San Diego, CA, Feb 3 - 5, 2023.

Evaluations

(U11, U13B/C, U15B/C, U17B/C)

This year we will be using sign up genius to help multi sport athletes and those with busy schedules select an evaluation time that works best for them. Make-up date options will also be added as needed at a later date. Players will need to attend the sessions below or the one alternative makeup date provided in order to be considered for a competitive B team or in the case of U11 competitive A team. At the U11 age group, there is an A level and then all remaining teams with no letter category. The U13 age level is where B and C levels are introduced. This is in alignment with the structure of GEMSA and Softball Alberta.
